Description

A good quality toleware waste bin dating from the early to mid 20th Century. It is a very decorative piece with pretty hand painted floral decoration, paw feet and ring handles. It is in good condition and displays well. There are some signs of age and use, some minor wear to the paint and a couple of small losses and marks but no major damages or anything detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
