Description

A lovely miniature pine chest of drawers dating from the early 20th Century. It is a charming piece with four long drawers, each with turned wooden knobs. It is very well made and each drawer is beautifully made with hand-cut dovetail joints. It is in good original condition. The drawers are clean and tidy and all open smoothly. There are some general signs of age and use, some minor marks and knocks but nothing detrimental and overall it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
