Description

A lovely Arts and Crafts style oak wall cabinet dating from the early 20th Century. It has shaped sides with two small drawers below two cupboard doors. The cupboards have pretty inset ceramic tiles and are bordered by reeded detail. The drawers have typical arts and crafts handles and there are small wooden roundel caps on the sides. There is a shelf above the main cupboard which has a gallery along the top edge with turned wooden supports. They are a good quality piece and have been well made. They have a nice patina and the oak has mellowed to a lovely warm colour. They are in very good condition for their age and are strong and sturdy. There are signs of age and use, some minor marks and knocks and one small roundel missing on one side but no major damages or anything detrimental. They have been cleaned and gently polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers. Please get in touch for an accurate quote to your location.
