Description

Late C18th / early C20th Syrian hexagonal bone-inlaid table . Tall hexagonal table with mashribiya panel sides with complex bone-inlaid design details and banding to the edges . The top inlaid with a geometric star motif with ebony and ivory inlaid centre and having a bone inlaid banding and a moulded edge . The base of the table with shaped arches forming the feet . The body of the table being of walnut or fruitwood . Of good proportions and scale to add an exotic accent to an interior scheme . In excellent original condition with a good 'dry' surface and finish . H 28" W 15" D 15" Syria , Damascus c.1900

Internal Ref: ML 244
