Description

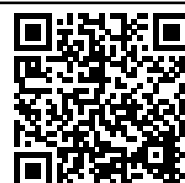

A lovely solid silver toast rack, compact in size yet generously boasting six compartments for toast. This stylishly designed silver dividers curve out nicely meeting coming together at a slight point to the top. The sides of the toast rack are particularly pleasing, forming a lovely wavy pattern with shaping to the curves. With six slots for toast, the rack sits nicely level on a good solid rectangular base, resting on four out-turned integral feet. It has a lovely handle, matching the shape of the dividers. A lovely 1920's period item, perfect for the breakfast table. In super condition. Very clearly defined hallmarks can be seen on the base for the Birmingham Assay Office with a date mark of 1927 along with the maker's marks for silversmiths William Suckling Ltd. Measurements: Height including handle: 7 cm approximately Width 10.3 cm approx. Depth: 4.4 cm approx. Weight: 57.7 grams approx. Weights and measurements are approximate.
