Description

A lovely pair of antique pine bedside cupboards dating back to the 1920s. Each cupboard is equipped with a top drawer and a cupboard door below, distinguishing themselves as a true pair with doors opening in opposite directions—one from left to right, the other from right to left. Inside each cupboard rests a convenient shelf. Presently adorned with an ornate brass drop handle on the drawers and vintage plastic knobs on the doors, we offer the option to replace these if desired. Having recently undergone stripping, these cupboards stand in their natural bare wood state. They can be acquired in their current condition for £360, or alternatively, we can wax them for you for £415 for the pair. Dimensions: Height: 31.5", Width: 17", Depth: 14.5"
