Description

Superb late Georgian breakfront bookcase made from solid mahogany. The bookcase separates into 2 sections which allows for easy transportation to and around your home. The top is an open bookcase with 9 fully adjustable mahogany shelves so can hold any size of book. The base has three panelled doors which open to a shelved interiors also fully adjustable and stand on a plinth base. Like all antique furniture there are some imperfections but nothing that detaches from the overall look of this solid bookcase. A very practical and attractive item of useful proportions offering storage for many books creating a small library in any room. A stunning item with rich colouring and graining the perfect addition to any home / office.
