Description

A lovely antique Edwardian mahogany console side table, made in England and dating from the 1900-1910 period. This is of superb quality and is a great size, with some lovely design features. It has a serpentine shaped front and stands on tapered legs terminating in spade feet. The felt lined drawers have beautifully detailed brass ring pull handles and fine, hand cut dovetailed joints. The top edge and drawer fronts are cross banded, the front corners are grooved and canted. We have had this recently re-polished, the condition is excellent with a wonderful patina.
