Description

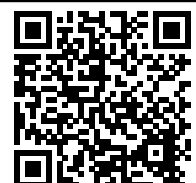

A superb antique Victorian mahogany leather top partners desk / writing table. This was made in England, it dates from around the 1860-1880 period. It is of great quality and is an impressive size with plenty of work space. The top is inset leather with tooled edges, this stands on beautifully turned legs on casters. There are two drawers on each side, this is finished identically front and back so is intended to be free standing. We have had this re-polished, the condition is very good for its age. There is some normal age related wear and patina to be seen here and there beneath the polish, commensurate for age. Width – 48 inches , 121 cm Depth – 35 inches , 89 cm Height – 30 inches , 76 cm Knee height – 23 inches , 58 cm
