Description

Early Heals Antique Pine Chest of Drawers – Labelled. A lovely very early Heals of London antique solid pine chest of drawers, a design by Ambrose Heal around 1890. A more unusual drawer configuration having three short drawers along the top over three, graduating long drawers. All the drawers run smoothly and have quality, hand cut dovetails along with the original handles. To a top drawer the early Heals makers label is inset. In excellent condition throughout and standing on the original feet which is my favourite foot of all the Heals furniture. Dimensions Height: 93.5cm (37.10") Width: 91.5cm (36.31") Depth: 46cm (18.25")
