Description

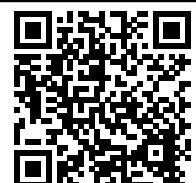

A stunning antique Sheraton Revival Mahogany & Satinwood desk. This dates from around the 1890-1910 period, and it was made in England. The quality is fantastic, this has beautiful brass handles, fine hand cut dovetailed drawers and it sits on original casters. The back is also nicely polished, so this can be used as a free standing item. The drawer fronts and top edges are beautifully cross banded with satin wood, this has a gorgeous inset leather writing surface with tooled edges.
