Georg Jensen silver bookmark

Price

Sold

Item Reference: SA1062871

Date of manufacture: 1950

Description

A beautiful Georg Jensen silver bookmark. I believe the design dates back to the early part of the 20th century. The mark on this piece would indicate that this was made post 1945 making it mid century. Good clear marks to the reverse and in excellent condition. Art Nouveau in design. L 7 cm W 3 cm
