Sold**Item Reference: SA1063219****Date of manufacture: 19th Century**

Description

An antique William IV sterling silver wine goblet which has a round shaped body with fluted decoration, reed detailing around the top rim and resting on a raised square shaped foot. This well made silver goblet has a crest on one side of the body and the interior has been nicely re-gilded over time. The hallmarks on the side of the body are slightly rubbed but there is a clearer maker's mark underneath the square shaped foot. This silver goblet would make an ideal gift and would be perfect to use. Height: 13 cms (5.1") Diameter of rim: 9 cms (3.5") Width of base: 7 cms (2.8") Weight: 7.7 troy ounces (240 grams) It was hallmarked in London for 1836 by Joseph & John Angell. Complimentary postage is included within the price of this silver goblet. If you have any queries, please do not hesitate to contact us.
