Dimensions

Height = 24.1 cm (9.5")

Width = 10.8 cm (4.3")

Depth = 10.8 cm (4.3")

Description

A very nice example of a "bell metal" single candlestick from the mid 18thc....it stands on a square base with a shallow drip catcher around the centre and has a tall slender plain stem, which has a seam running through to the nicely shaped socket....it has gained the most wonderful natural colour from years of careful use...no damage or restoration. English. C1740-50.

Internal Ref: MS 7963
