A beautiful antique walnut dressing table stool, made in England and dating from the 1920's. It has a gorgeous design and is of excellent quality. The frame has sweeping curves and a pierced back rest, sitting on cabriole legs. This would be useful as a dressing table stool or as an occasional seat around the home. We have had this re-polished and the seat has been re-upholstered in a cream cotton fabric, the condition is excellent for its age.
