Description

A beautiful quality pair of solid silver vintage earrings set with extremely sparkly paste diamonds. Each earring is constructed in four articulated sections which gives them a lovely sense of movement and makes for additional sparkle. The earring posts are nine-carat gold, likely a later addition. The back of one earring is faintly marked ENGLAND; there is another mark on the other earring but it is too worn to read. The earrings are in excellent vintage condition with minor surface wear consistent with normal vintage usage. Size: Approximately 4.3 x 2cm. Weight: 9.4g. FREE INTERNATIONAL SHIPPING! Please note antique boxes pictured are not included unless specified, your item will come in a new box.
