Description

A late 19th century table with decorative cast iron three-legged base and a round wooden top. The base on this table is lovely with three beautifully shaped legs united in the centre with finials. As far as we are aware the top is original to the base. It was possibly made as a pub or cafe table... The wooden top is stained a dark colour. I think this table would also look lovely with a marble top! The table is very heavy. Condition: The base has a slight twist to it but stands level and is solid. The top is constructed from three pieces of wood and has various minor marks and scratches. Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch. Delivery of furniture usually takes between 7 and 21 days from order, though can sometimes take longer.
