Description

I fell in love with this piece in Italy on a recent buying trip. Original soft gilding, the coffee table base is 19th Century and the fabric is probably 17th / 18th Century, they have been put together at some point. Structurally sound. There seems to be a couple of small spots of clear glue on the top of the glass, I haven't tried to remove it, you can hardly see it, I'm guessing it was spilt and hardened on the glass, nothing that detracts, a wonderful piece. You can scan all over any picture on my website with your cursor to magnify the area. Width: 37.5 inches (95 cm) Height: 22 inches (56 cm) Depth: 19.5 inches (50 cm)
