## Description

An elegant pair of solid silver vintage earrings set with sparkling single-cut paste diamonds. The teardrop section is separate from the top post, which gives the earrings a lovely sense of movement and additional sparkle. The earring posts are nine-carat gold, likely a later addition. The backs are marked ENGLAND and, faintly, SCP - this is Ciro of Bond Street (London, founded 1917), known for their high-quality range of sterling silver costume jewellery. The earrings are in excellent vintage condition with minor surface wear consistent with normal vintage usage. Size: Approximately 4.7 x 1cm. Weight: 5.3g. FREE INTERNATIONAL SHIPPING! Please note antique boxes pictured are not included unless specified, your item will come in a new box.
