Description

Elevate your bedroom with this magnificent 19th-century wardrobe, a timeless piece crafted from luxurious satin birch and dating back to 1850. This wardrobe is not just a functional storage solution but also a stunning statement of elegance and quality craftsmanship. Standing tall on a plinth base, this wardrobe is as practical as it is beautiful. It conveniently comes apart into five sections, making transportation a breeze while preserving its structural integrity. At its heart lies a large mirror door, framed by the rich grain of satin birch. Behind it, you'll find four linen slides and three drawers, offering ample storage space for your clothing and accessories. On either side, there's generous hanging space for garments, complemented by a singular drawer at the base for added convenience. The wardrobe exudes sophistication with its original brass handles, adding a touch of vintage charm to its already impressive presence. The satin birch showcases a gorgeous grain and colour, further enhancing its allure and making it a focal point in any room. In great condition and boasting exceptional quality, this 19th-century wardrobe is a testament to enduring style and function...
