Description

Step into the elegant world of the 19th century with this stunning oak armchair, a true embodiment of timeless charm and quality craftsmanship. Crafted around 1860, this armchair exudes sophistication and grace, making it a standout piece in any room. The oak legs of the armchair showcases a gorgeous grain pattern that adds depth and character to the piece. The natural beauty of the wood is enhanced by its rich coloration, creating a warm and inviting atmosphere that complements any decor style. Adorned with turned legs, the armchair stands with stability and poise, adding a touch of classic elegance to its design. These legs not only provide sturdy support but also contribute to the chair's overall aesthetic appeal, showcasing the craftsmanship of its maker. The armchair features pink upholstery with various patterns, adding a delightful pop of colour and texture to its design. The upholstery is adorned with button detailing on the backrest, adding a touch of sophistication and refinement to the chair. Original casters allow for ease of movement, making it simple to reposition the armchair as desired. Whether placed in a living room, study, or bedroom, this armchair can ...
