Description

Step into the refined elegance of the 19th century with this exquisite bow-fronted chest of drawers, crafted from luxurious mahogany and dating back to 1870. This stunning piece showcases the timeless beauty of its era, with graceful curves and rich detailing that will elevate any room. Standing on turned legs, this chest of drawers exudes a sense of sophistication and charm. The elegant silhouette is complemented by the mahogany's natural warmth and depth of colour, creating a captivating focal point in any space. Retaining all of its original knob handles, this chest of drawers exudes authenticity and heritage. Each handle tells a story of craftsmanship and attention to detail, adding to the piece's charm and character. The mahogany's gorgeous figuring adds a sense of depth and texture to the piece, enhancing its visual appeal and creating a sense of luxury. Please inspect the provided pictures for any age-related imperfections, although this chest of drawers remains in good condition overall. With a total of five drawers, including two small drawers over three large ones, this chest offers ample storage space for clothing, linens or other essentials. The bow-fronted d...
