Description

An attractive antique 19th Century two part oak chest of drawers. The antique oak chest has two short over three long graduating drawers, each with two brass handles and brass escutcheon. The oak chest of drawers has a decorative apron on the front and sides, and is raised on bracket feet. A great antique chest of drawers which also comes apart in two parts. Item Ref; M-5344 . DIMENSIONS: Height - 99.5cm / Width - 96cm / Depth - 48cm .

CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, sides and front. There is also further staining to the front (pictured) and some loss to the side, however this does not affect the overall integrity of the piece. A lovely example of an antique 19th century two part oak chest of drawers. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To provide you with a comprehensive understanding of the item's condition, we kindly request that you take a moment to thoroughly review all...
