Description

This is a superb Victorian cased collection of fine butterfly and moth specimens with the most amazing colours. The tropical specimens are in excellent condition and make a fine collection for display. This is one of two matching display cases that are from this excellent 19th century collection that we currently have listed, please see our other items. The massive Atlas moth in this example is an incredible showpiece. The case measures 38 cms by 38 cms by 6 cms deep. UK insured delivery is £20
