Price

Sold**Item Reference: SA1064666****Date of manufacture: 1920**

Description

A fine pair of antique George V sterling silver candlesticks which have tall columns with eight panelled sections, plain removable nozzles and each resting on a circular loaded base with the same panelled design. There is a simple patterned detail around the edge of the bases and columns which adds to the overall style of these elegant silver candlesticks. They would be practical to use on the dining table or mantelpiece. Height: 25.7 cms (10.1") Diameter of base: 12.1 cms (4.8") They were hallmarked in London for 1922 by J. S. Harman. Complimentary postage is included within the price of these candlesticks. If you have any queries, please do not hesitate to contact us.
