Description

This stunning antique walking stick which has a beautiful 9ct gold engine turned design handle is fully hallmarked for 1924 and has an ebony shaft with a brass ferrule. This high quality stick is a good length at 93 cm long, is in excellent usable condition and the top of the handle is blank so could be engraved if you so wished. Would make a wonderful piece for a walking stick collector being a hallmarked gold cane in great condition and 100 years old. Hallmarked: 9 and 375 for 9ct gold. Leopards head for London. Date letter i for 1924. Makers mark. Dimensions: Length: 93 cm (36 1/2"). Width at widest part of handle: 3.5 cm (1 1/2"). Weight: 294 g. Condition: Excellent antique condition with only slight signs of use in keeping with age. 9ct gold handle is in wonderful condition with only very light signs of use. Please note that only the walking cane is included and any other items in the pictures are for display only.
