Description

A fantastic pair of antique burr walnut bedside cabinets. They are in the Queen Anne style, they date from the 1920-30's. The quality is exceptional, they have stunning burr walnut grain patterns and crisp carving throughout. The tops are cross banded, there is a single drawer and single door cupboard in each cabinet, with high quality brass handles. Each also has a pull out slide shelf with an inset mirrored top. They sit on sturdy and beautifully carved cabriole legs. We have had them recently re-polished, the condition is excellent for their age.
