Description

Size: 6ft 4in x 4ft 0in (192 x 121cm) Antique South Caucasian Moghan Kazak rug with Memling guls within octagons. Circa 1890. A superb Moghan Kazak rug with two vertical rows of 'Memling guls' within multi coloured octagons. The rug has a traditional Caucasian leaf border design which is typical for rugs from this region. Normally this design of rug is found in a longer format or as a runner; so it is pleasing to find an example in a conventional rug size. Superb colour derived from good natural dyes and typical Kazak weave. Excellent condition with slight even wear with good thick pile. Hand washed and ready for use or display. The rug is suitable for normal domestic use. Stock Number: H-529.
