Description

A charming little sterling silver Victorian pendant with a background design of stars and a single leaf below a sparkling faux diamond. The stone is a lovely high old cut, foiled and super sparkly; we're selling it as paste as it's untested but it looks very much like rock crystal. A gorgeous and quite rare little piece! The antique pendant is ready to wear, hung on a vintage silver chain. Both the pendant and chain have a lovely patina which we have not overly polished as many people prefer that look. In excellent antique condition; under strong magnification the edges of the stone facets are slightly abraded in places but we mention that only for accuracy. Pendant size: 1.7 x 1.1cm. Chain length: 16 inches (approx 41cm). Total weight: 2.7g. FREE INTERNATIONAL SHIPPING! Please note antique boxes pictured are not included unless specified, your item will come in a new box.
