Description

If you would like this armchair upholstered please click yes in the upholstery drop down menu. This would require 4 metres of material. You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. This is a very stylish open armchair very much in the manner of Howard and sons. The tapered legs and arm supports make this a little different and the proportions are perfect. Buttoned back which will be very inviting once upholstered although we can upholster without buttons if you prefer.
