Description

Splendid Vieux Paris (Old Paris) porcelain set of 3 side / dessert plates. Ribbed design with alternating white porcelain and gilded vertical stripes; the sumptuous gold plating makes this a wonderful example of the Empire style. This shape and gold/white palette were very popular at the turn of the 19th century; similar examples were produced by Royal Vienna as well as Sevres. These plates were decorated by Jean-Pierre Feuillet (active 1814–1834). The bases are unmarked, but they came from the same estate collection as my other Old Paris items for sale. Please have a look. France, c. 1830's 1324 g 3 cm tall 22.8 cm diameter Excellent antique condition. Some wear to gilt appropriate to age and use; small firing defect to reverse of one plate.
