Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is a classic Omega watch with a heavy solid 9ct gold case and British hallmarks for 1964. It has the calibre 268 manual winding movement the same movement that was used in the Battle of Britain pilots watches. Its one of the most reliable movements ever made. The dial is in mint condition having been fully restored. It measures 34mm in diameter excluding the winding crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
