Description

Introducing a distinguished 19th Century Antique Mahogany Pier Display Cabinet crafted by the esteemed maker Edwards & Roberts. This exceptional piece showcases intricate Chinoiserie blind fretcut decoration and features a split arch pediment, adding to its allure. With its captivating color and well-preserved patina, this cabinet is a rare find for collectors and enthusiasts alike. It comes complete with a key and boasts sturdy construction, with no loose joints or woodworm. Measuring 178cm in height (76cm base + 102cm top), with dimensions of 36cm deep and 79cm wide, this cabinet offers ample space for display. The mahogany-lined drawers slide smoothly, while the shelves, measuring 66cmW x 16cmD, can be adjusted to suit your needs. While displaying minor historic knocks, marks, and imperfections consistent with its age, this cabinet is in very good antique condition. Stock No. 8516. We offer a 30-day, no-quibble, money-back guarantee for your peace of mind. Competitive door-to-door shipping is available within the UK and overseas. Don't miss out on this extraordinary piece of history.
