Description

A classic synthesis of architectural principles and the prevailing Arts and Crafts movement, typical of Lutyens and also Sir Robert Lorimer. First quarter 20th century, 14" tall. Original, well-presented condition, no damage or repairs. The shafts are detachable from the bases and are slightly loose in the sockets, there are some isolated surface water spots on one of the bases. The sconces and drip trays are detachable too. Happy to pack and post at cost price, UK destinations including insurance likely to be around £20. If you have any questions, please let me know. Follow us on Instagram: [jeckyll_and_co](#)
