Description

A great antique set of six 19th century carved oak dining chairs. The oak dining chairs have a shaped backrest with a shaped central splat with neat carvings. The antique chairs have a solid square oak seat, raised on straight legs with straight and turned stretcher supports. These charming chairs have a wonderful colour and grain throughout. Item Ref; M-5293 . DIMENSIONS: Height - 121cm / Width - 49.5cm / Depth - 46cm / Seat Height - 54.5cm .

CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks to the seats, backs and legs. There is some loss to one of the legs stretchers (pictured), however, the oak dining chairs remain structurally solid and sound. There have also been some historic repairs to a couple of the chairs. A charming example of a set of six antique 19th century carved oak dining chairs. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To provide you with a comprehensive understanding of the item's condition, we kindly...
