Description

A lovely antique salt box dating from the late 18th / early 19th Century. It has a hinged lift up lid with a thick leather hinge and a small fixing hole at the back to allow for it to be hung on a wall. It is made from oak with the most lovely colour and patina. It is in good condition and displays well. There are signs of age and use, a few small marks and knocks and some small chips and splits but overall it is strong and sturdy. It has been cleaned and lightly polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
