Description

A good example of a bronze letter or paper clip in the form of a dog. It dates from the late 19th / early 20th century and has been beautifully modelled with green glass eyes. The mouth opens to act as the clip and there is a hole in the back for hanging. It is in good original condition and has developed a lovely patina. There are no major damages and the hinge clip is in good order. There are a few minor surface marks and signs of age and use but nothing detrimental. Approximate Measurements: Length : 5" / 13cm Width : 2 1/2" / 6.5cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
