Description

This charming early 20th-century oil painting by Danish artist C Sorensen depicts an interior with an arch, dining nook and window. Little is known about C Sørensen, which is unusual given their evident skill. They worked predominantly during the 1930s and produced numerous interior scenes and occasional still lifes. They had a particular penchant for capturing depth via a view through a window, as we see here. It's an idyllic vision rendered in a charming fashion. The arch is handled particularly well with exquisite details. Signed in the lower right and held within a gilt frame, which is probably original. Medium: Oil on canvas Overall size: 22½" x 29" / 57cm x 74cm Year of creation: c. 1930 Provenance: Private collection, Denmark. Condition: Assessed and approved by our conservator. Cleaned. Frame with light marks and signs of age. Our reference: BRV1822
