Sold

Item Reference: SA1065663

Date of manufacture: 1800

Dimensions

Height = 336 cm (132.3")

Width = 151 cm (59.4")

Description

As rare as chickens teeth, this over 200 year old rug is in exceptional condition for the age and has beautiful colours. The yellow borders with a reciprocal arrowhead design is cherished by collectors and decorators alike. The central medallion depicts a pair of opposed dragons, circling each other, with red eyes.
