Description

Rare Heals Antique Teak Garden Table by Castles. This is quite a rare model of an Edwardian solid teak garden table made for Heals of London by Castles, the ship breakers around 1915. Designed to be a stand alone garden table that has a slatted table top with a silhouette leg table base with a circular under shelf. In very good, solid and complete condition, even has the Castles makers label. Retailed by Heals of London, a similar design to the teak garden dining sets, but this is smaller Heals teak antique garden table. Dimensions Height: 74cm (29.37") Width: 71cm (28.17") Depth: 71cm (28.17")
