Date of manufacture: 1950

Dimensions

Height = 15 cm (5.9")

Width = 24 cm (9.4")

Depth = 12 cm (4.7")

Description

This very stylish solid sterling silver coffee pot was designed by the Danish designer Henning Koppel in 1952 and the design won many prizes including the Gold Medal at the Triennial in Milan in 1954. Koppel designed for Georg Jensen from 1946 and the company produced many award winning pieces. This coffee pot #1017 is part of a Henning Koppel tea and coffee set from 1952. The coffee pot is in excellent condition and the beautifully shaped handle has been made from a South American hardwood called Guaiacum which is renowned for its strength and density. The domed lid fits perfectly and the coffee pot is clearly stamped for Georg Jensen. Dimensions: Height: 15 cms Width: 24cm Depth: 12cm Weight: 741g A silver coffee pot of very high quality in fabulous condition, free from engravings. Any shadows on the photographs are a result of poor photography. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional...
