Description

Highest quality 19th century Chinese carved rosewood low stand with original marble top. The marble top has a hole in the middle with a star design to the outer edge, it looks original to me. The stand is very high quality and is pretty heavy. No damage and no looseness. With the hole in the marble it might have originally been some kind of a lamp. SIZE; 16" by 12" by 10" high CIRCA; 1870
