Description

A lovely antique mahogany pot cupboard dating from the late 19th Century. The cupboard has a single door with turned knob and opens to reveal a shelved interior. It is a good quality piece with beautiful flame mahogany in the door panel and it stands on a plinth base. It is in good condition for its age with a lovely patina. There are minor signs of age and use, a few small marks and knocks here and there and a couple of small chips on the bottom plinth but nothing detrimental and overall it displays well. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
