Description

A vintage era exquisite and fine pair of Murano glass champagne coupes c1920. The coupes have an amber golden colour, enhancing the pale hue of champagne, and have a segmented eight sided bowl with each segment embellished with a streak of amber glass. The coupes sit on tall deep amber stems with a wide deep amber spiral supporting the coupe. The glass of the coupes is exceptionally fine. The fineness and delicate design are typical of Murano. These are very elegant and in perfect condition.
