Description

This is a very high quality 19th century Biedermeier table made from Birdseye maple. Gorgeous figuring throughout and continuing the legs and stretcher. The whole design is very impressive with the shapely legs and lower stretcher, the harp design in the centre and the lined details running down the legs. The harp is made entirely from timber and is very finely done. Great size and in totally original clean condition. Ideal as a large console or desk. Height 74cm Width 190cm Depth 86cm
