Description

A wonderful large oval jewellery box in sterling silver, lovely quality and highly decorative with its engine turned stripes and heavy raised border. To the centre is a large circular cartouche, which could be engraved by your silversmith if desired. The box stands on four very smart foliate legs almost in a fleur de lys design. The lid fits well and when opened reveals a lined base in navy blue velvet. The box bears the full English hallmark for Birmingham 1918 together with the makers mark S*B for the renowned silversmiths, Synyer & Beddoes - Harry Synyer & Charles Joseph Beddoes.
