Description

Very Decorative Original Dutch Delft Polychrome Chinoiserie plaque, circa: 1740. This is an original plaque out of the 18th century and very collectable, the hanging hole for the nail on the wall is original as well, you can see this because the glaze is running true the hanging hole. The plaque is painted with the very interesting subject of two Chinese porcelain painters. In excellent un restored original condition, no repairs! 26 cm wide 24cm high.
