Description

An exceptional, fine and impressive antique Victorian 9 carat yellow gold chain bracelet; part of our diverse antique Victorian jewellery collections. This exceptional, fine and impressive antique Victorian bracelet has been crafted in 9ct yellow gold. The double-sided lozenge-shaped face of the bracelet is embellished with impressive paralleling finely engraved scrolling leaf decoration to one side and an exceptional stemmed rose design on a matte background to the other. This anterior portion creates a channel to support four impressive and broad curb chains. This Victorian 9ct gold chain bracelet terminates to the reverse with a cast gold foliated motif to each end and secures with a conventional spring-loaded bolt ring fastening; the piece further benefits from the added security of a safety chain. This exceptional four-stranded bracelet has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 9 carat gold. Such Victorian examples, in this fine quality, showing little signs of wear are becoming increasingly difficult to locate. Condition This impressive bracelet is an excellent gauge of gold, excellent quality and in ...
