Description

A stunning Victorian antique 800 solid silver dish or bowl. It is hallmarked with German marks including the 800 silver standard mark. I would date it to c1890. It has been beautifully decorated with with a scene of cherubs. It is in superb condition being free from dings splits holes and repairs. It measures approx. 8.25 inches (21cms) across by 5.75 inches (14.6cms) and weighs 138 grams. A very good quality piece.
