Depth = 51 cm (20.1")

Description

Splendid pair of tall Gothic wrought iron candelabra c.1910. Each with seven candle holders with drip catchers, arranged on moulded rings around the central column. Very attractive Gothic detail to the supporting branches and tripod legs. Moulded rings to the column plus a large finial at the base for stability. Excellent condition, retaining traces of the original paintwork.

Internal Ref: 37214
